

# VILLE DE MONTRÉAL

## ERRATUM

---

Please note that the notice published on November 2, 2010, concerning the adoption and coming into force of the ordinance under By-law 03-013, repealing ordinance 1-1 regarding the setting of quotas for dwelling units to be subsidized for certain categories of admissible buildings, contained an error. That ordinance bears number 6 and not number 5 as previously announced.
