

## COMING INTO FORCE OF BY-LAWS

---

Notice is given that the following by-laws were adopted at the city council meeting of December 20, 2010:

- 10-029**                    **By-law concerning fees (Fiscal 2011)**
- 10-030**                    **By-law concerning certain subsidy by-laws (Fiscal 2011)**  
The by-law provides for rules of conformity between the variable-rate taxation system introduced in 2003, the abandonment of the business tax, the abandonment of the water and service tax, and the previous system, so that the calculation of subsidies under by-laws that came into force before January 1, 2003, gives the same results as the former tax regime.
- 10-031**                    **By-law concerning the tax burden (Fiscal 2011)**  
The object is to determine part of the increase of the tax burden that does not result from the establishment of the city as to the harmonization of the tax burdens of various sectors where the tax burden supported by all assessment units of a category of immovables is greater in 2011 than in 2010.
- 10-032**                    **By-law concerning property taxes on parking lots (Fiscal 2011)**  
The object is to set a tax on non-residential parking lots (indoor and outdoor) in the business and downtown sectors.
- 10-033**                    **By-law concerning taxes (Fiscal 2011)**

The by-laws come into force on December 29, 2010, and may be consulted during regular business hours at the Direction du greffe, 275, rue Notre-Dame Est. They are also available at [www.ville.montreal.qc.ca/reglements](http://www.ville.montreal.qc.ca/reglements).
