### APPLICATION FOR A MINOR EXEMPTION

#### **6735, avenue de Monkland**

Notice is hereby given that the Borough Council, at its regular meeting scheduled for 7 p.m. on February 7, 2011, at 5151, chemin de la Côte-Sainte-Catherine, will rule on an application for a minor exemption relating to the construction of a new building on lot 4 622 770 (6735, avenue de Monkland).

This minor exemption would make it possible to allow the new building to be designed with a roof of a different shape from those of the adjacent buildings, notwithstanding article 111 of the *Urban planning by-law for Côte-des-Neiges—Notre-Dame-de-Grâce borough* (01-276), which states that the architectural features of a new building erected between two buildings must be compatible with the architectural features of those adjacent buildings.

Any interested person may be heard by the Council in relation to this application.

Given at Montréal this January 19, 2011

Geneviève Reeves, avocate  
Secrétaire d'arrondissement
