Public consultation Cultural quarters

The standing committee on culture, heritage and sports will hold a public consultation on cultural quarters.

The Cultural quarter project is a priority, as outlined in the *2007-2017 Action Plan—Montréal Cultural Metropolis*. It aims to enhance Montrealers' cultural quality of life. Culture, in this project, is a broad notion, since cultural quarters are diverse urban areas adapted to local colors. They integrate elements related to heritage, architecture, the environment, arts, sciences, commercial activity and involve a diverse range of contributors from a wide array of fields.

The committee extends the invitation to persons interested in taking part in this public study, to be held as follows:
