APPLICATION FOR A MINOR EXEMPTION

4400, avenue Walkley, Catherine Booth Hospital

Notice is hereby given that the Borough Council, at its regular meeting scheduled for 7 p.m. on January 14, 2013, at 5151, chemin de la Côte-Sainte-Catherine, Montréal, will rule on an application for a minor exemption relating to the construction of an outside access vestibule for service elevator No. 3.

This minor exemption would make it possible to authorize the extension of the building by the construction of a one-storey vestibule 3.5 metres high, projecting 1.98 metres from the façade on avenue Walkley, notwithstanding articles 9, 15, 40 and 654 of the *Urban Planning By-law for Côte-des-Neiges—Notre-Dame-de-Grâce borough (01-276)* concerning building heights, building coverage ratios and the extension of a non-conforming construction.

Any interested person may be heard by the Council in relation to this application.

Given at Montréal this December 19, 2012.

Geneviève Reeves, avocate
Secrétaire d'arrondissement
