

Public Notice

APPLICATION FOR A MINOR EXEMPTION

5151, chemin de la Côte-Ste-Catherine

Notice is hereby given that the Borough Council, at its regular meeting scheduled for 7 p.m. on Wednesday, April 3, 2013, at 5319, avenue Notre-Dame-de-Grâce in Montréal, will rule on an application for a minor exemption relating to the maximum authorized building coverage ratio (Centre Cummings, 5151, chemin de la Côte-Ste-Catherine).

This minor exemption concerns articles 40 and 41 of the *Urban Planning By-law for Côte-des-Neiges—Notre-Dame-de-Grâce borough (01-276)* and would make it possible to expand the building with a building coverage ratio of 65%, exceeding the prescribed maximum ratio of 60%. This authorization would make it possible to renovate the main entrance on avenue de Westbury and add a two-storey expansion on the avenue Mountain Sights side.

Any interested person may be heard by the Council in relation to this application.

Given at Montréal this March 6, 2013

Geneviève Reeves, avocate
Secrétaire d'arrondissement
