APPLICATION FOR A MINOR EXEMPTION

4740, avenue Meridian

Notice is hereby given that the Borough Council, at its regular meeting scheduled for 7 p.m. on June 25, 2013, at 5151, chemin de la Côte-Sainte-Catherine in Montréal, will rule on an application relating to the minimum prescribed lateral setback for the building at 4740, avenue Meridian.

This minor exemption would make it possible to authorize a minimum lateral setback of 1.2 m, contrary to the provisions of article 71 of the *Urban Planning By-law for Côte-des-Neiges—Notre-Dame-de-Grâce borough (01-276)*, which stipulates that the side wall of a building that is not erected on the side lot line must be laid out at 1.5 m for a building not exceeding 12.5 m in height.

Any interested person may be heard by the Council in relation to this application.

Given at Montréal this June 5, 2013.

Geneviève Reeves, avocate
Secrétaire d'arrondissement
