

## Public notice

### **APPLICATION FOR A MINOR EXEMPTION**

#### **6875, Boulevard Décarie**

Notice is hereby given that the Borough Council, at its regular meeting scheduled for 7 p.m. on June 22, 2015, at 5151, chemin de la Côte-Sainte-Catherine, will rule on an application for a minor exemption relating to the proportion of the façade area that must be on the building line.

This minor exemption would make it possible to expand the building beyond the established building line by more than 1.5 m, notwithstanding articles 52 and 61 of the *Urban Planning By-law for Côte-des-Neiges–Notre-Dame-de-Grâce borough (01-276)*, which stipulate that at least 60% of the facade area of a building must be on the building line, that at most 1.5 m of this fore-building may project beyond the building line and that façade planes must be parallel to each other.

Any interested person may be heard by the Council in relation to this application.

Given at Montréal this June 3, 2015.

La secrétaire d'arrondissement,

Geneviève Reeves
