### APPLICATION FOR A MINOR EXEMPTION

#### **3911-3919 avenue Van Horne**

Notice is hereby given that the Borough Council, at its regular meeting scheduled for 7 p.m. on February 3, 2020, at 5160 boulevard Décarie, ground floor, will rule on an application for a minor exemption relating to the installation of service equipment on the front façade on rue Légaré.

This minor exemption would make it possible to authorize the installation of an electricity meter on the front façade on rue Légaré, notwithstanding article 85 of the *Urban planning by-law for Côte-des-Neiges–Notre-Dame-de-Grâce borough* (01-276), which stipulates that no service equipment may be visible on a façade.

Any interested person may be heard by the Council in relation to this application.

Given at Montréal this January 16, 2020.

Geneviève Reeves, avocate  
Secrétaire d'arrondissement
