

By-law for a Diverse Metropolis

At its meeting on August 23, 2021, city council adopted a draft by-law titled “By-law amending the By-law to improve the supply of social, affordable and family housing (20-041)”.

This draft by-law replaces schedule B of the By-law to improve the supply of social, affordable and family housing (20-041) with the objective of adding affordable housing zones in the boroughs of Mercier–Hochelaga-Maisonneuve, Montréal-Nord, Rivière-des-Prairies–Pointe-aux-Trembles, Saint-Léonard and Ville-Marie.

In compliance with the rules adopted under the COVID-19 state of emergency, the city will hold a 15-day public consultation aimed at collecting questions and comments in writing from residents concerning this draft by-law. The written consultation replaces the public meeting required under the Act respecting land use planning and development.

Please see below for details on the consultation and how to participate.

August 26 to September 9, 2021, inclusively
