

## **PUBLIC NOTICE**

I give notice that on Tuesday, June 7, 2022, at 7:30 p.m., the Saint-Laurent borough council will hold a public meeting at the borough hall located at 777, boulevard Marcel-Laurin, Saint-Laurent, to rule on 2 requests for minor derogation to by-law number RCA08-08-0001.

The first minor exemption request concerns the property located at 3000, rue Modugno and is intended to authorize the construction of a multi-family dwelling encroaching on the minimum front setback.

The second request for minor exemption concerns the property located at 2355-2365, rue des Équinoxes and is intended to authorize a cadastral operation having as an impact the encroachment of multi-family dwellings in the side margin and the distance of the apparent underground construction which does not meet all applicable standards.

Montreal, May 18, 2022.

Benoit Turenne  
Deputy Secretary of the Borough Council
