I give notice that on Tuesday, June 28, 2022, at 7:30 p.m., the Saint-Laurent borough council will hold a virtual public meeting at the borough hall located at 777, boulevard Marcel-Laurin, Saint-Laurent, to rule on 4 requests for minor exemption to by-law number RCA08-08-0001 and on a request for conditional use to by-law number RCA 06 08 0020.

The first request for minor exemption concerns the properties located at 2355-2365, rue des Équinoxes and is intended to authorize the construction of isolated multi-family dwellings encroaching on the rear setback and whose distance from the apparent underground construction does not respect all applicable standards.

The second minor exemption request concerns the property located at 9191 Cavendish Boulevard and is intended to regularize a sign whose area does not meet all applicable standards.

The third request for minor exemption concerns the property located at 870 Deguire Street and is intended to regularize the location of an accessory building whose distance from the sideline does not meet all applicable standards.

The fourth request for minor exemption concerns the property located at 905, rue Roy and is intended to authorize the construction of a detached two-family dwelling whose location of the garage and the width of the driveway do not meet all applicable standards.

The fifth request concerns a conditional use in an industrial building located at 3537 to 3591 Ashby Street and is intended to authorize an “office” use on the floor of 14 establishments.
