

ROADMAP TO ZERO EMISSIONS BUILDINGS IN MONTRÉAL BY 2040

The [Commission sur l'eau, l'environnement, le développement durable et les grands parcs](#) (committee) was mandated to hold a public consultation on a roadmap to zero emissions buildings in Montréal by 2040 (*Feuille de route vers des bâtiments montréalais zéro émission dès 2040*).

The consultation is part of an effort to reach greenhouse gas emissions (GHG) reduction targets and achieve carbon-neutrality in Montréal.

The committee invites interested parties to participate in the public consultation which will be held in three parts. The first part is an opportunity to learn about the city's proposals, ask questions and get answers on the subject. During the second part, attendees can express their views. The third part consists of a public session for the adoption of the recommendations that the committee will submit to the administration at the end of its review.

PART 1 – OBTAIN INFORMATION

The documentation (in French) outlining the subject submitted for consultation is available at ville.montreal.qc.ca/batimentzeroemission. You can also request to receive the documentation by mail, by calling 514-872-3000.

The consultation document will be presented during a **public information session** which will be held as follows:

DATE AND TIME: THURSDAY, NOVEMBER 17, 2022, AT 7 P.M.

Council chamber, city hall (Lucien-Saulnier building)
155, rue Notre-Dame Est, Montréal (Québec) H2Y 1B5

The public session will be livestreamed on the city's website at ville.montreal.qc.ca/batimentszeroemission.

QUESTION AND COMMENT PERIOD

The presentation will be followed by a question and comment period for the public and then a question and comment period for committee members.

If you would like to ask a question or make a comment, please register before the end of the break following the presentation by filling out the online form (in French) available at ville.montreal.qc.ca/batimentszeroemission. On-site registration 30 minutes before the session begins will also be available for those attending the meeting in person.
