

Pre-budget Consultation 2024 - Adoption of the recommendations

The [Commission sur les finances et l'administration](#) consults Montrealers regarding Montréal's 2024 budget.

The 2024 pre-budget consultation is a participatory democracy mechanism that permits Montrealers to share their ideas and opinions in order to guide the drafting of the upcoming budget. This year, Montrealers were invited to give their opinions on eco-tax and tax measures as well as on the review of activities and programs offered by Montréal and its urban agglomeration.

All interested parties are invited to consult the webpage :
