COMING INTO FORCE OF BY-LAWS

Notice is given that the following by-laws were adopted at the urban agglomeration council meeting of June 15, 2023:

RCG 20-005-4 Règlement modifiant le Règlement sur le programme de subventions relatif à la réhabilitation de terrains contaminés dans l'Est de Montréal (RCG 20-005)

The by-law amends the by-law concerning the subsidy program for the rehabilitation of contaminated land in the East End of Montréal (RCG 20-005) with technical adjustments, by providing for subsidy payment in two instalments and by extending eligibility the program.

RCG 18-043-2 Règlement modifiant le Règlement établissant le programme d'aide financière aux établissements situés dans un secteur affecté par des travaux majeurs (RCG 18-043)

The by-law amends the by-law establishing the financial assistance program for establishments located in an area undergoing major work (RCG 18-043) by expanding the scope of eligible work and by reducing the list of required documents to be submitted with a subsidy application.

RCG 23-011 Règlement modifiant le Règlement établissant le programme d'aide financière visant le développement de projets d'affaires d'entreprises montréalaises (RCG 19-017) et modifiant le Règlement établissant le programme d'aide financière visant le développement de projets d'affaires d'entreprises montréalaises 2023 (RCG 23-005)

The by-law amends the by-law establishing the financial assistance program concerning the development of business projects of Montréal businesses (RCG 19-017) and the by-law establishing the 2023 financial assistance program for business project development by Montréal enterprises (RCG 23-005) in particular, to allow the reallocation of residual and recovered amounts under by-law RCG 19-017 for payment according to the criteria under by-law RCG 23-005. Reporting requirements are also harmonized.

RCG 23-012 Règlement sur les subventions relatives aux infrastructures de recharge électrique pour véhicules à émission zéro

The by-law concerns subsidies for electric charging infrastructure for zero emission vehicles. It will take effect on the date the subsidy agreement approved by resolution CG23 0196 is signed.

RCG 23-013 Règlement établissant le programme de subvention forfaitaire aux établissements situés dans un secteur affecté par des travaux majeurs

The by-law establishes a flat-rate subsidy program for establishments located in an area undergoing major work.

All these by-laws come into force June 21, 2023, and may be consulted (French version only) during regular business hours at the Service du greffe, 155, rue Notre-Dame Est. They are also available at montreal.ca/reglements-municipaux/.
