

COMING INTO FORCE OF BY-LAWS

Notice is given that the following by-laws were adopted at the urban agglomeration council meeting of April 18, 2024:

RCG 24-020 **Règlement autorisant l'occupation du domaine public aux fins de l'exploitation du site de la ferme écologique et des terres du Grand parc de l'Ouest – secteur Cap-Saint-Jacques ainsi que des terres du Grand parc de l'Ouest – secteur du parc agricole du Bois-de-la-Roche**

This by-law authorizes the occupancy of public property for the purposes of operating the site of the ecological farm and agricultural land of the Grand parc de l'Ouest – Cap-Saint-Jacques sector, as well as lots of the Grand parc de l'Ouest – sector of the Bois-de-la-Roche agricultural park. It also repeals by-law RCG 23-001.

RCG 22-021-1 **Règlement modifiant le Règlement sur la subvention relative à la réduction des nuisances liées au bruit généré par les salles de spectacle alternatives (RCG 22-021)**

The by-law amends by-law RCG 22-021 concerning the subsidy to reduce noise disturbances created by alternative entertainment venues. The aim is mainly to add a third component to the program for work to be carried out following an acoustic assessment, as well as to postpone the deadline for the end of eligible work to November 30, 2024.

RCG 24-021 **Règlement établissant le programme d'aide financière pour les projets de changement d'échelle des entreprises d'économie sociale**

The by-law establishes the financial support program for scale change projects for social economy organizations.

All these by-laws come into force April 24, 2024, and may be consulted (French version only) during regular business hours at the Service du greffe, 155, rue Notre-Dame Est. They are also available at montreal.ca/reglements-municipaux/.
