### APPLICATION FOR MINOR EXEMPTION

**Institut universitaire de gériatrie de Montréal,  
André-Roch-Lecours pavilion  
4545, chemin Queen-Mary**

Notice is hereby given that the Borough Council, at its regular meeting scheduled for April 11, 2007, at 7 p.m., at 5151, chemin de la Côte-Sainte-Catherine, will rule on an application for a minor exemption concerning the appearance of a building on which the replacement of the facing does not meet the requirement that the material used be equivalent in quality to the original material. The building in question is the André-Roch-Lecours pavilion of the Institut universitaire de gériatrie de Montréal, located at 4545, chemin Queen-Mary.

This minor exemption would make it possible to authorize the replacement of the outside facing with panels of light concrete and a glass curtain wall on the façade, although they are not fully equivalent to the original material (brick) in particular in terms of size and construction, contrary to criterion c) of paragraph 2 of article 118.1 of the *Urban Planning By-law* (01-276).

Any interested person may be heard by the Borough Council on this application.

GIVEN AT Montréal, on March 21, 2007.

A handwritten signature in blue ink, appearing to read "Elaine Doyle".
