CDN—NDG Borough Green Plan: *Your Opinion Counts!*

On Earth Day, Tuesday, April 22, residents of the Côte-des-Neiges—Notre-Dame-de-Grâce (CDN—NDG) borough are invited to take part in a **Forum on the borough's future Green Plan**. This Forum is part of preparations for an action plan aimed at making CDN—NDG a truly environmentally responsible borough over the next five years. Residents are encouraged to come and present their views on the main issues involved in enhancing and preserving the environment in their borough.

The evening will begin with a presentation on the process involved in drafting the Green Plan. Then residents will be asked for their opinions regarding the seven goals of the Green Plan, which will guide the borough and its partners in years to come. They are to:

- Ensure that the borough's management practices reflect sustainable development principles;
- Manage resources responsibly;
- Encourage environmentally friendly urban development;
- Improve waste management and borough cleanliness;
- Enhance the protection of biodiversity, natural habitats and green spaces;
- Promote sustainable transportation;
- Involve organizations and residents through environmental awareness and education initiatives.

Date: Tuesday, April 22 (Earth Day)

Time: 7 p.m.

Place: Le Manoir Notre-Dame-de-Grâce

5319, avenue Notre-Dame-de-Grâce

(at the corner of Décarie, near the Villa-Maria metro station)

Individuals wishing to submit their suggestions in writing on the above subject may do so at the meeting or before April 28 at 5160, boulevard Décarie, Suite 600, Montréal, Quebec H3X 2H9, or by fax (514 868-3538) or e-mail (cdnndg@ville.montreal.qc.ca).

Elaine Doyle
Borough Secretary
