

**PUBLIC NOTICE**

**PUBLIC MEETING**

**Commission permanente du conseil d'agglomération sur le développement économique**

**PUBLIC REVIEW OF INFORMATION AND COMMUNICATIONS TECHNOLOGY (ICT) CLUSTERS**

Clusters are geographic concentrations of interconnected companies and institutions in a particular field. TechnoMontréal, the ICT cluster, is a major engine of development made up of over 5 000 companies and a workforce of 120 000. Clusters encompass an array of linked industries in manufacturing, software, computer services, telecommunications, interactive digital media and services, and digital arts.

TechnoMontréal gathers key players in the ICT industry of Greater Montréal with common objectives, to increase their ability to innovate and be competitive.

The public review will focus on the growth, accomplishments, and impact of the ICT industry on the Montréal economy, and the objectives for 2011.
