PUBLIC MEETING

Commission permanente du conseil d'agglomération sur le développement économique

PUBLIC STUDY – ECONOMIC DEVELOPMENT STRATEGY 2005-2010

The strategy, which was adopted in the spring of 2005, bears on five key areas: the business environment, knowledge and innovation, culture, quality of life, and openness to the world. Priorities and specific actions have been devised for each one. The public review will enable us to take stock of the actions taken to reach our objectives, assess the contributions of our partners, and pinpoint the measures to be taken.
