

**PUBLIC NOTICE  
COMING INTO FORCE OF BY-LAWS**

---

**Notice is given that the following by-law was adopted at the urban agglomeration council meeting of June 18, 2009:**

**RCG 09-017      Règlement modifiant le Règlement concernant le schéma d'aménagement de l'ancienne Communauté urbaine de Montréal (89, modifié)**

The object is to incorporate the new flood levels of Rivière des Prairies, including those of Lac des Deux Montagnes and those of Rivière à l'Orme, issued by the Centre d'expertise hydrique du Québec in 2006, as well as existing flood levels of part of the St. Lawrence River covering the territory of the urban agglomeration of Montréal, including those of Lac Saint-Louis. In addition, it incorporates the provisions of the Politique de protection des rives, du littoral et des plaines inondables of May 2005.

On September 18, 2009, the minister of municipal affairs, regions and land occupancy issued a notice attesting that the by-law is in accordance with the government's land-use planning orientations and projects. On September 22, 2009, the notice was issued to the city and consequently came into force on that date, in accordance with section 53.9 of the Act respecting land use planning and development (R.S.Q., chapter A-19.1).

The by-law may be consulted during regular office hours at the Direction du greffe, 275, rue Notre-Dame Est. It is also available at [www.ville.montreal.qc.ca/reglements](http://www.ville.montreal.qc.ca/reglements).

Montréal, October 23, 2009

M<sup>e</sup> Yves Saindon  
City Clerk
