#### **1. Purpose of the draft resolution and applications to take part in a referendum**

Further to the public consultation meeting held on Tuesday, December 1, 2009, the borough council adopted, the same day, second draft resolution CA09 210458 so as to:

- Authorize, for immovables located at 3028, 3030 and 3032 boulevard LaSalle, four parking spaces per building instead of three as approved under the resolution adopted for this specific construction, alteration or occupancy proposal for an immovable;
- Allow a 45° angle on the south end corner of the immovable located at 3034 boulevard LaSalle instead of the 90° angle approved under the resolution adopted for this specific construction, alteration or occupancy proposal.

The second draft resolution contains provisions that are subject to approval by way of a referendum. Interested persons may file an application to require that a resolution containing the following provisions be submitted for their approval in accordance with the *Act respecting elections and referendums in municipalities*:

- To authorize, for immovables located at 3028, 3030 and 3032 boulevard LaSalle, four parking spaces per building instead of three as approved under the resolution adopted for this specific construction, alteration or occupancy proposal for an immovable.

The object of such an application is so that the resolution containing such provisions be submitted for the approval of qualified voters in the zone affected shown on the attached plan and those in any contiguous zone from which a valid application originates.

Information as to which interested persons may sign an application regarding provisions of the second draft resolution may be obtained at room 102 of the borough hall located at 4555 rue de Verdun, Monday to Friday, from 9:00 a.m. to 5:00 p.m.
