Notice is hereby given that the Borough Council, at its regular meeting scheduled for 7 p.m. on May 3, 2010, at 5151, chemin de la Côte-Sainte-Catherine, will rule on an application for a minor exemption from the maximum height in metres and in storeys prescribed by articles 8, 9, 17 and 18 of the *Urban Planning By-law of the Côte-des-Neiges—Notre-Dame-de-Grâce borough* (01-276), and for an authorized extension of the maximum allowable height of a building as prescribed by articles 122 and 123 of the *By-law concerning the demolition of the building located at 3201, chemin de la Côte-Sainte-Catherine and part of wing 8 of the building located at 3175, chemin de la Côte-Sainte-Catherine, and the construction, expansion, alteration and occupancy of the Centre hospitalier universitaire Sainte-Justine on a site located at 3175, chemin de la Côte-Sainte-Catherine, and another site located at the northwest corner of McShane and Ellendale avenues* (06-044).

This minor exemption would make it possible to increase the height of part of the building and the mechanical equipment on its roof, which is not surrounded by a screen, on an expansion built between wings 7 and 9, behind the institutional building at 3175, chemin de la Côte-Sainte-Catherine (Centre hospitalier universitaire Sainte-Justine).

Any interested person may be heard by the Council in relation to this application.

Given at Montréal this April 14, 2010.

Secrétaire d'arrondissement
